

**Primeval X-ray Protection:  
X-rays and X-ray Protection Before There Were State Regulators, The First Fifty or  
So Years of X-ray Protection**

*Ronald L. Kathren*

*Washington State University*

After a brief introductory section on the discovery of x-rays, this presentation consider the first five decades of x-ray protection, plus a few years beyond, in four parts, each devoted to the significant x-ray protection activities of a specific decade or two following the discovery of x-rays.
